Please make alternative arrangements if you cannot be there at 3.15pm

GENERAL SHOW RULES

Administration

1. Exhibits will be received only on the express condition that the exhibitor has agreed to abide and be bound by the Show rules of the Society. Entries will be judged according to the standards of the Horticultural Society of Canberra Inc, and the decision of the Judges and Council is final on all matters.
2. There are no entry fees.
3. Unless otherwise stated, prizes in all classes other than Floral Art will be –
1st: \$2, 2nd: \$1.
4. Prize money won by the exhibitors must be collected on the Sunday before the show closes. This is the responsibility of the exhibitor and uncollected money will revert to the Society, unless other arrangements have been made.
5. All entries for competition, with the exception of exhibits in the Floral Art Sections, must, unless otherwise stated in this schedule, be the property of and grown by the exhibitor and/or his or her employees.
6. All trophies are to be held in the Canberra area unless the Society's Council decides otherwise.
7. Most Successful Exhibitor awards are made on the basis of: -
1st-- 3 points, 2nd-- 2 points and 3rd/ HC-- 1 point.
8. Where any exhibit or class is to be point scored, score cards will be filled in and signed by the Judge/s and remain with each exhibit until closing on Sunday.
9. Judges decision: No second or subsequent prize will be awarded where less than three entries are staged unless the Judge decides that an exhibit is worthy of an award, but the Judge may withhold any award if an exhibit is considered unworthy.
10. Judges will normally be available for a short time after judging, for comments and advice.

Exhibition

11. For parts of the schedules where there are separate progressive and/or novice sections, exhibitors who are listed as **Open** may only exhibit in the **Open** classes. Exhibitors who are listed as **Progressive** may only exhibit in the **Progressive** or **Open** classes. Lists of exhibitors in each of these groups are provided at the beginning on the relevant part of the schedule except for Floral Art where it is incorporated in the Special Rules (see page 4).
Persons not listed therein are eligible to enter in any of **Novice**, **Progressive** or **Open** sections. Experienced visiting exhibitors will be expected to show their speciality/ies only in the **Open** classes. Where no list of exhibitors is provided, **Novice** classes are intended for inexperienced exhibitors only. Successful exhibitors may, at any time, be required to show in **Open** or **Progressive** classes as applicable.
12. Wiring of cut and specialist flower exhibits is not permitted.

13. Where the number of cuts or stems is specified they shall be taken as the number clearly visible at the top of the container.
14. Where the number of blooms is specified, buds showing colour shall count as blooms, except in Floral Art.
15. Green two-piece vases are available and exhibitors are to use them for both specialist and general flowers—where practicable, unless otherwise stated.
16. No packing or support material shall be visible above the container.
17. In seedling classes, blooms must be a new variety raised by the exhibitor, and not yet in commerce. Breeding should be indicated, if known.
18. Once an exhibit has been marked “N.A.S.”, no unit within that exhibit shall be eligible for any award.

Organisation

19. All exhibits, personal property, etc., shall be at the risk of the exhibitors, and the Society shall not be liable for compensation for the loss or damage from any cause. Should a show not be held for any reason, no exhibitor shall have any claim on the Society. Exhibitors will be wholly responsible for any claim made by their employees or representatives.
20. For the benefit of visitors, it is most desirable that exhibits be identified (species and cultivar) if possible.
21. Any exhibit may be transferred to another position or class at the discretion of the Chief Steward/Judge – before judging.
22. Any exhibit showing signs of pest or disease may be removed at the discretion of the Chief Steward.
23. In order to maintain the high standard and spectacle of the shows, the Committee reserves the right to renew or remove any exhibit showing severe decline after judging. Replacements will be made, where possible, with similar material.

Orchid sections

24. Plants entered in the Orchid sections shall have been owned and in the possession of the exhibitor for the previous six months.
25. Exhibitors in the Orchid sections may use ferns and/or foliage to embellish exhibits. Such plants are not to be taken into consideration in judging.
26. Where orchids are exhibited as species the name used should indicate current usage. Growers are encouraged to take into account the ongoing revisions of the popular genera. Whilst no set guideline for nomenclature will be provided the revisions recognized in “What Orchid is That?” edited by Alec Pridgeon, and the Royal Horticultural Society Manual of Orchids are recommended. A complete set of ongoing Rules and Definitions is available from the Orchid Society of Canberra, Inc.
27. For further information contact Mark Fraser on 6287 1106 after 6 pm.

e) Definitions

ACCESSORIES: Anything added to an arrangement/design to assist in presentation of its planned order of the elements according to the principles of design.

CONTEMPORARY DESIGNS are European influenced and incorporate the leading trends, e.g. Pinning, Gluing, Weaving, etc. Decorative mechanics are displayed.

DESIGN: The planned order of the elements, according to the principles of design. A design may include one container or more, and may include background or base.

DESIGN ELEMENTS: Space, line, form, pattern, texture, colour.

DESIGN PRINCIPLES: Balance, dominance, contrast, rhythm, proportion, scale.

TRADITIONAL DESIGN: Designs developed from the late 1940's onward. Most of these designs radiate from a central area. There are 3 main types - Massed, Massed Line and Line.

MODERN DESIGNS refer to the 20th Century. Materials are used in a well defined manner. Depth and space are a vital part of the design. Containers, if used, should be compatible.

PLANT MATERIAL: Any part of cultivated, uncultivated and marine plants, fresh or dried.

EUROPEAN INFLUENCE: Design styles originating in various European countries each with their own particular approach to design.
